Re: John- Charles Nosa Akoda M.D.

LETTER OF REFERENCE

I am very pleased to write this letter of reference on behalf of the above named Physician.

Dr Akoda, "CHUCK" as we know him worked with me as an assistant from July 2005 to date.

His medical knowledge is outstanding, his application to his duties excellent and his interaction with patient and staff tremendously excellent to say the least.

He is very well liked by staff and patient.

I have personally observed and supervised this physician on numerous occasions, He stood out compared to my other assistants in terms of knowledge base and enthusiasm to learn and work.

It is my sincere opinion that he will be an asset to whatever program he is accepted into.

I have no reservation whatsoever in recommending him for his postgraduate pursuit.

Feel free to contact me at the above number 757- 764-4017 if you need more information.

Yours Sincerely,

Charles. A .Francis M.D.

DR JOHN-CHARLES AKODA

LETTER OF RECOMMENDATION:

I hereby write a letter of recommendation for the Doctor referenced above.

I have known this doctor for approximately 5 years through which he worked for my establishment-Maxi care Inc. in various categories including registered Nurse which licensure he obtained through our corporation.

He was very knowledgeable in the field of medicine especially reproductive medicine which he was quick to unassumingly remind me that he had a 2 year residency program in hence he knew a little more than the rest of the staff.

He was very modest, very professional with his staff and patients, everybody loved him.

He was usually the first to arrive at the office and the last to leave.

He had a very voracious appetite for learning and he is well verse about life in general.

Without hesitation or reservations, I write this letter knowing what a brilliant Physician he is.

For questions, please contact me at 301-802-0481.

Thank you,
